

WHAKATOHEA MAORI TRUST BOARD

GENERAL MANAGER

The Whakatohea Maori Trust Board is looking for a General Manager who will be directly accountable to the Board of Governors.

The prime responsibility of the position will be the successful management of the operations of the Board, in alignment with the strategic goals that have been set by the Board.

The General Manager will have proven abilities as an experienced highly motivated team leader. The position holder will also possess advanced experience in business management, an understanding and appreciation of tikanga Maori, and will be conversant with the current social, economic and cultural trends.

The Board is spearheading some major business development initiatives and would see this position playing a critical role in the development phase.

The successful applicant will possess the following key competencies:

- High level of interpersonal and communication skills
- Advanced strategic and analytical thinking and reporting
- Commercial acumen and political awareness
- Financial management skills
- Proven track record in organizational leadership and staff management
- Minimum 10 years senior management experience
- Experience in working for and with Maori

Application forms are available on the website Whakatohea.co.nz or from Arihia Tuoro at contacts listed below.
